Hiring Manager / Talent Acquisition

Anthropic

**Re:** Application for Staff+ Software Engineer, Platform Connectivity

Dear Hiring Team at Anthropic,

I am writing to express my strong enthusiasm for the Staff+ Software Engineer, Platform Connectivity position at Anthropic. With a solid foundation in React.js, React Native, HTML5, CSS3 and proven hands-on project delivery experience, I am confident in my ability to make an immediate impact on your engineering team.

Having reviewed the role requirements, I was particularly drawn to your mission and technical roadmap. Throughout my background, I have consistently focused on writing clean, scalable code, optimizing system workflows, and collaborating effectively to deliver robust features.

Anthropic's emphasis on innovation aligns perfectly with my professional goals. I welcome the opportunity to discuss how my technical expertise and background can support Anthropic's growth.

Thank you for your time and consideration.

Sincerely,

Vinayak Srivastava
